Our networking social is open to all beginning at 4:30 PM. Appetizers will be provided by the chapter so come and enjoy good food and great company.

This is your chance to meet and greet current members, the NorCal URISA board and fellow colleagues. It is also an opportunity for students or to join the chapter either as a member, or a sponsor.

Ask your chapter about any of the following:

- **New board members**
- **Upcoming events and training opportunities**
- **Our scholarship program**
- **Recruiting committee members for the chapter**
- **Overall goals of the chapter**

Most of all, this is an occasion for the chapter to get to know what is going on amongst its members.

We hope to see you there!
