

City of West Sacramento - City Hall Overflow Parking

Parking at City Hall is for employees with City issued parking permits, with limited parking for the public.*

For those without a City issued parking permit, please park in the designated overflow parking lot located at 1020 West Capitol Ave, just east of City Hall. It is open only for scheduled events.

There are six disabled parking stalls for the public available near the rear entrance of City Hall. Please refer to the map.

* Please observe the parking signs at City Hall, which inform you on parking time limits and designated parking permit areas.
